

**Institute of Industrial Arts Technology Education
Technology Education Conference 2018
SMC Conference Centre - 66 Goulburn St, Sydney**

This conference is provided by the iiate as a forum for all teachers of **STEM, Technology, Engineering and Industrial Arts**. The conference consists of an all-day 'Hands On' workshop course on Thursday, followed by a two-day conference including two auditorium presenters and breakout workshops, as well as two evening events.
Delegates choose the combination of day and/or evening events they wish to attend. They may attend all 5 events.
All stage 3 to stage 6 teachers are encouraged to attend. Guests are welcome to attend the evening events.

The information presented at this conference relates directly to the teaching of **STEM, Technology, Engineering and Industrial Arts** curriculum.

Teachers are provided with the opportunity for networking, resource sharing, skill development and advancement, and to be kept abreast of current and future directions in STEM education, focusing on Engineering, Technology and Industrial Arts. Lunch and morning tea are provided. Schools will need to provide their own casual relief for conference attendees.

Your iiate membership must be current prior to registering for the conference, as you need to use your unique membership number to register.

Not a member? Please contact Astrid conference@iiate.asn.au for information on how to attend.
